Dear Greg,

My Wife and I would like to thank you for all the hard work, you and your colleague put into the disco at our wedding, it was much appreciated. We would also like to thank you for turning up on time (unlike the cars!) and setting up quietly, whilst the speeches were occurring.

The neighbours would also like to say thank you, for not playing loudly into the early hours, and to congratulate you on a very good choice of music (*sic*).

On a final note, we felt that the small video that you took of the wedding reception was a great touch and as it was taken after we left the reception for our honeymoon – a great blackmail tool on the rest of the family!

Once again, thank you very much for a wonderful job,

Yours sincerely,

Charles & Kathryn Turner
